Thom Young, Malachai Pulido : Live Like a Ghost before purchasing it in order to gage whether or not it would be worth my time, and all praised Live Like a Ghost:

Rimbaud smirks and the whiskey flows like river waterBy Josh D.A superb collaboration with two parallel, yet perpendicular, well-defined voices:Young provides the quick-witted poetry that cuts like a knife and requires a chaser going down. A good way to slash up the surface and reflect the absurdity that humans live in daily.Pulido then infects a deep mysticism within an elongated prose. The diction varies and some poems are read as an idiosyncratic window into the mind of a true artist.Overall, one of the best trade paperbacks I've ever purchased and makes me greatly appreciate the text and not the publishing process.0 of 0 people found the following review helpful. Happy SHE readerBy Ms. MTruly enjoyed every word on every page of this book. I came across Thom and Malachai on social media and am very glad I did. Thank you both for your great work.

The modern world can leave you feeling isolated despite being more connected than ever through social media. There's something missing. The information age has created mad souls looking to fill the void with a higher purpose. This poetry collection explores themes of madness, suicide, murder, and black magick in a modern society devoid of humanity. Live Like A Ghost hit #1 New Release in Poetry and Short Stories.
